SAHARA Medical College Narowal:

SAHARA Medical College is ongoing project with the aim to cater the health care needs of remote underprivileged areas by educating health care professionals and stimulating innovation through research and discover, disseminate, and apply knowledge to improve health and reduce the burden of illness on society. SAHARA Medical College is entertaining a class of 100 medical students, with a planned expansion to 150 students. This college will serve as a subsidiary of the SSMC and subsidize the running cost of hospital. SAHARA Medical College Narowal has been functional in 2015-16. Moreover, the final 5th batch of M.B.B.S is in progress.

24 Hour Ambulance Services:

SLT established Ambulance Service Centers at Muridke Road with the provision of ambulance services, providing first aid and transportation to nearby hospital either in SSMC Narowal or in Lahore to all road traffic accidental and other emergency cases.

SAHARA School Systems:

“SAHARA for Life Trust” is executing two schools in rural & marginalized location & one in urban area of Pakistan, which is in planning phase.

- Pakistan Grammar International School System, Pasrur Campus.
- SAHARA Public School, Ganji Basti Dera Din Panah Tehsil Kot addu district Muzaffargarh Punjab
- SAHARA International School System, Johar Town Lahore (in planning phase).

SAHARA Diagnostic & Research Center:

“SAHARA diagnostic Services”, a project of “SAHARA for Life Trust” had already been launched in October, 2009 with the aim to generate revenue to support the healthcare project of “Sughra Shafi Medical Complex Narowal” for the rural population of the country through the provision of quality diagnostic facilities at the compatible market rates. Currently, we are planning to expand the number of collection centers in the various cities of Pakistan.

The SAHARA College Narowal:

In 2018-19, SAHARA for Life Trust established “The SAHARA College Narowal” under Semester System Examination with 50 seats each. The above said college had been affiliated with Government College University, Faisalabad. The bachelor programs of Biotechnology, Medical Lab Technology (MLT), Radiography & Imaging Technology (RIT), DPT, Pharm-D, Software Engineering, Computer Sciences, Information Technology, BBA (HONS), Mathematics, Commerce and Economics are being taught under semester system. While, in this fiscal year, 6 more bachelor programs, statistics, mass communication, food sciences and technology, Microbiology, Chemistry and Applied Psychology will be started in “The SAHARA College Narowal”.

SAHARA Nursing College Narowal:

SAHARA Nursing College is another mega project of SAHARA for Life Trust, which has been functional & established in 2019-20. The college is affiliated with “University of Health Sciences Lahore” for BS Nursing and Post RN programs. While the diploma programs including LHV are affiliated with Punjab Nursing Board. The 1st batch of above said programs have been inducted on merit basis in SAHARA Nursing College Narowal.

SAHARA Cancer Hospital Narowal a new project of SLT:

A new mega project of SAHARA for Life Trust is SAHARA Cancer Hospital Narowal, which will provide a state-of-the-art treatment facility for poor & marginalized cancer patients. The SAHARA Cancer Hospital will offer a wide variety of cancer treatments. Hospital will also be equipped with advanced Linear Accelerators and CT Simulators used for accurate visualization of tumors and normal tissues in each individual patient so that accurate targeting of tumors and protection of normal tissues can be ensured. Moreover, SAHARA Cancer Hospital will also provide the clinical preventive services,
